THE ART OF CONVERSATION

RRP \$19.99

If pot-luck dinners are winning out over restaurant meals, this set of cards may be the clincher to a perfect dinner party. Use the cards to either get guests chatting or turn it into a game.

The thought-provoking questions include, 'What's the longest time you have been without sleep?', 'What's the best offer you ever turned down?', 'When did you last lose your temper?' and 'Who is the most outstanding teacher or coach you've ever had?'.
